

COMLUX PRESS RELEASE

GENEVA – May 20st, 2008

COMLUX ANNOUNCES MAJOR EXPANSION

Comlux Aviation A.G, has seen consistent and significant increase in demand for its chartered aircraft services over the past 5 years. To ensure it will best meet future customer demand, Comlux is creating a new divisional structure that will provide a sound platform for future growth, under the brand : **Comlux The Aviation Group**

- **Comlux Aviation** will deal exclusively with all the activities related to aircraft charter and management, this will include :
 - o Comlux Aviation AG – the Swiss operation based in Zurich
 - o Comlux Aviation Kazakhstan – a new service which is being established to meet the rapidly expanding demand for aircraft services into and within Central Asia and the Russian speaking markets. A separate announcement has been made on this today.
 - o Comlux Aviation Malta – a further new service which will be fully launched this year offering European registration for Airbus VIP charter operations
- **Comlux Completion.** Because of our expertise in fitting and design of Airbus aircrafts and through this new division the Group has become a shareholder in the Airbus Corporate Jet Completion Centre (ACJC) in Toulouse, in partnership with the MAZ Consultancy in Bahrain. A further announcement on this new division has been released today.
- **Comlux Creatives.** We are delighted to announce the arrival of Alexandra Brökelmann, formerly of Lufthansa Technik, to work alongside our existing design consultant Isabelle Bevilacqua. This creates a division to focus exclusively on aircraft and cabin design and completion. Our broad involvement in aircraft management gives the Group a leading ability to match design innovation to customers' requirements and operational functionality.
