Geneva – 12 May 2009

COMLUX CREATIVES REVEALS THE VIP INTERIOR DESIGN OF THE FUTURE COMLUX A320 AT EBACE

This year, Ebace visitors in Geneva can discover a cut-away model scale 1/20 of the Comlux A320 VIP designed by Comlux Creatives. The model will be displayed in Comlux booth (# 1569 /Hall 6) revealing as well the new Comlux external livery specially designed for this aircraft.

Isabelle Bevilacqua, Head of Comlux Creatives says: *“Comlux Creatives had already designed an A320 interior, 2 years ago for a private customer. This time, our challenge is to design an interior with VIP charter focus in mind. We have developed a new innovative concept design where “Business meets pleasure”: we are excited to present this original idea in our booth during the Ebace Air show”*

Richard Gaona, President and CEO of Comlux Group says: *“This A320 will suit very well the Middle East market: it is a wide body jet offering lot of cabin space, cargo space and a non-stop range to Europe: exactly what our clients in this region need. In addition, its new beige-sandy livery will fit very well with the colors of the desert! Fly Comlux division, in charge of Comlux fleet operations is planning to open an office in the Middle East in order to facilitate the arrival of the aircraft by end 2010 and to get closer to our VIP clients at any time.”*

Comlux The Aviation Group is one of the leaders in VIP charter services operating worldwide with the highest standards of safety and quality. Beyond charter operations, Comlux offers a comprehensive set of services to VIP customers who wish to have their own aircraft managed personally and professionally. This includes aircraft management, sales and acquisitions, cabin design and completion as well as maintenance services.
