

COMLUX PRESS RELEASE

Las Vegas – 10 October 2011

COMLUX AMERICA EXPANDS ITS FACILITIES AND SIGNS NEW COMPLETION CONTRACTS

Comlux America is pleased to announce the construction of a new, state-of-the-art hangar to be completed by the second quarter of 2012. The new hangar will be located adjacent to the current Comlux facilities and will allow Comlux America to significantly increase its production capabilities with a total surface of 64,500 sq ft. Comlux America will be able to complete four narrow body aircraft simultaneously. The shops will be located in the hangar maximizing coordination amongst the different skills and overall efficiency. Customers will have direct access to their aircraft through fully equipped and modern offices.

This facility expansion affirms Comlux strong presence in the State of Indiana and will lead to the creation of approximately 100 new jobs. The Indianapolis Airport Authority, the City of Indianapolis and the State of Indiana are supporting Comlux America's project, and see in Comlux a strong and long-term economic presence in the Indianapolis area.

Comlux America marked another important milestone in its rapid growth by receiving this year three new completion orders for VVIP Airbus and Boeing aircraft, with three different clients. David Edinger, CEO of Comlux America says *"The team is very proud to have been selected by these prestigious clients. Our order book is very healthy and these orders confirm that our decision to expand our facilities was the right one."*

Comlux America located in Indianapolis, Indiana is part of Comlux, The Aviation Group, a leading provider of worldwide aviation services that include aircraft management, VIP charter, aircraft sales and acquisitions, aircraft cabin designs and completions, aircraft engineering services, aircraft maintenance, and avionics design and integration.
