

Comlux Malta Ltd is one of the finest aircraft charter companies rapidly expanding their exclusive fleet of business aircrafts with Headquarters in Zürich Switzerland.

To support our Engineering Team in Malta we are looking for a dynamic and highly motivated

Aircraft Engineering Manager

In this challenging position your main duties and key responsibilities are:

- Ensure compliance of the continuous airworthiness requirements of EASA/CAMO
- Manage scheduled Aircraft maintenance tasks
- Manage scheduled Powerplant systems maintenance tasks
- Evaluate technical information and recommendations from aircraft, engine and component manufacturers
- Evaluate legal requirements issued by the regulatory authorities
- Provide repetitive and recurrent defect analysis to support the company's reliability and maintainability programmes
- Follow and control all work carried out on aircraft, engines and components as well as review and/or assessment of SBs, ADs, Minor/major Modifications and Occurrence & Audit reports so that they are addressed in a timely manner

To fulfil this position successfully, your qualifications and experience shall include:

- At least 3 years experience in the aviation industry
- Good knowledge of EU-OPS (JAR-OPS 1)
- **Engineering degree and/or Holder of Part-66 AME, Type Rating Airbus A320 family and relevant Ratings for Powerplant**
- Good knowledge of Aircraft Documentation
- Good knowledge in IT (Microsoft-Office, CAMP)
- Fluent in English (speaking and writing)
- Knowledge of a second language
- Ability to work effectively and productively as part of a multi-disciplined team
- Flexible to work outside of normal Office hours and willing to travel
- Ability to take over responsibility
- Stress resistant
- Preference will be given to candidate with experience in VIP-Business aviation and CAMO/145 Organization
- If not already resident, willingness to relocate to Malta

Take the next step with us:

We are looking for a highly committed, reliable, communicative and enthusiastic personality with good team spirit and excellent interpersonal skills. If you prefer a modern place of work in an international, multicultural environment, then we look forward to receiving your application. Please send your complete application documents including motivation letter to Human Resources by email:

hr@comluxaviation.com.

Unsuccessful applications may remain with the company and can be re-considered for a future position-opening, except where the applicant requests to withdraw his application. Candidates not meeting the mentioned requirements will not be contacted. Many thanks for your understanding.
